Advertiser is responsible for ensuring listing exists on the Explore Georgia partner Extranet and that all listing information is correct. If the listing does not currently exist, one will need to be created, and Explore Georgia will need to approve the listing prior to being featured.

Once contracted, assume all offerings are non-cancellable. All content (text, ads, images, etc.) placed on Explore Georgia owned media channels must adhere to Explore Georgia's brand voice and look-and-feel and is subject to edits if content strays too far.
